CHLOE'

Bello e possibile. Un'idea estremamente nuova, versatile ed accattivante. Molto più di un semplice divano, Chloe' unisce tutto in uno le comodità di un divano angolare, quelle di un divano con doppia penisola ma anche quelle di un letto che può essere matrimoniale oppure a doppio letto singolo.

This is a new, beautiful, versatile, affordable and captivating idea. Much more than "just a sofa", Chloe' has the comfort of a corner sofa, those of a couch with individual lounge chairs, but also those of a bed that can be queen or twin singles.

Le canapé, Chloe', une idée neuve, modulable il réunit le confort d'un canapé d'angle, un canapé avec double chaise-longue, et aussi un convertible qui peut être à deux places ou avec deux lits séparés.

DONATELLO

Una linea classica ma anche moderna a seconda di come lo vestiamo, che racchiude in se una concezione di comodità e volumi ben interpretati da forme e riferimenti che richiamano al passato ma si adattano bene anche al vivere contemporaneo.

A classic line that becomes modern according to the “dress” chosen. It contains a concept of comfort and seating which recall past shapes that fit well into contemporary living.

Un modèle classique : un confort généreux et des volumes bien proportionnés qui s’adaptent au présent.

PUCCINI

Un design leggero e pulito ma ricco con i suoi profili che possono essere realizzati in contrasto di colore, creando personalizzazioni davvero esclusive. Le sedute a molle insacchettate offrono un maggior comfort e più durata nel tempo. Il piedino in acciaio cromato lo rende più fresco e accattivante.

Simple, clean design but its profiles, often in contrast colours, which create a really individual look. Pocket sprung seats offer better comfort and durability and the steel feet give it a more modern, fresh and attractive look.

Un design jeune et épuré, des assises avec ressorts ensachés qui donnent un super confort, des pieds en acier chromé et des finitions à contraste qui donnent une touche vraiment exclusive.
